

IMAGINATION POWER

The participants will undergo a round in which they will be identifying the objects with their eyes closed.

RULES AND REGULATIONS:

1. Single person event
2. One touch one answer
3. Three rounds:-
 - a. **Predict the shape** (shapes/products with different shapes).
 - b. **Don't trust what you touch** (embossment/ Braille/ confusing object combination).
 - c. **Sensation or imagination** (products with different task but same shape (ex; horse shoe)/ determining the object instead of shape (example: fragranced ball)/ prediction by sensing the object's characteristics (ex: pineapple)).
4. Round one: 15-20 sec, round two: 30 sec, round three: 40 sec.
5. On touching second time, participant disqualified.
6. Tie round: **predict the tone** (audio played of an instrument).
7. To determine the contestants going to the next round, determine points: - example: if a person has identified 7 out of 10 objects, he/she will qualify for the succeeding round.
8. All the communications will take place through email id.

JUDGING CRITERIA:

The judge will judge the event on the basis of following points:

1. PERFECTION
2. TIME EFFICIENCY
